OBJECTIVE

I am currently an Aircraft Mechanic, I served 6 years 9 months in the United States Air Force, I am trying to venture away from the mechanic world into a career that I would love and enjoy.

EXPERIENCE

Aircraft mechanic

FEB 2018 - PRESENT

My current responsibilities as an Aircraft Mechanic keeping the jets flyable and in good condition by conducting daily inspections before and after it flies, refueling the aircraft, and doing general maintenance like tire and brake changes, making sure all the lights are functional / visible, and launching / recovering the aircraft for the pilots in training.

Lawton Community Correctional Center

SEP 2017 – FEB 2018

My job as a correctional officer was to maintain the integrity of the correctional facility by making sure all 155 inmates were following the rules and regulations. I also conducted room and locker searches to ensure the inmates were not in possession of contraband like drugs, alcohol, or weapons. I was also responsible for transporting inmates to their off-facility jobs, medical runs to another facility, and store runs where the inmates could spend their earned money on food or hygiene items.

Tire and Lube Technician

Dec 2016 – Sep 2017

As a Tire and Lube Technician I was responsible for performing oil changes, tire changes, flat repairs, battery changes, and light restorations. I was also responsible for interacting with the returning customers to get their vehicles set up for whatever service they were needing.

Aircraft Mechanic (USAF)

Mar 2010 – Dec 2016

- As an aircraft mechanic in the United States Air Force I was responsible for maintaining my assigned aircraft by performing daily inspections and general maintenance like refueling, launch and recovery, tire and brake changes, and simple servicing tasks.
